CGA "Senior Rules Official" Program

The Carolinas Golf Association annually receives many requests from outside organizations looking for rules officials to assist with their tournaments. As the need for experienced and knowledgeable rules officials increases, the CGA is implementing a new program to ensure that individuals who work at these non-CGA conducted events have displayed prior rules knowledge and on-course officiating experience.

"Senior Rules Officials" are permitted to wear CGA logoed apparel at non-CGA conducted events and receive a special name badge. Only "Senior Rules Officials" will receive e-mail updates about non-CGA conducted events where rules officials are needed (i.e. college, high school, professional, junior tournaments).

Listed below are the qualifications that the CGA is using to determine "Senior Rules Officials". Those individuals that desire to become a "Senior Rules Official" must complete the application at the bottom of this page and provide a photocopy of your exam score result.

*Once you become a Senior Rules Official, you will stay a Senior Rules Official each year as long as the following qualifications have been met.
