

**Rolex Girls Junior Championship  
Sectional Qualifying  
Pinewood Country Club Asheville, NC  
May 31, 2015**

**Local Rules**

**Tees**

Play the **CGA Green** tees.

**Out of Bounds**

Out of Bounds is defined by the inside points of white stakes at ground level; by inside edge of paved roads and beyond; by the inside edge of split rail fences that have white stakes at the ends of the fence; by white lines connecting white stakes, split-rail fences and roads.

**Obstructions**

Curbing and railroad ties adjacent to cart paths are deemed part of the path. Split-rail fence behind #9 green and #18 green is an immovable obstruction.

**Elevated Power Lines**

If a ball strikes an elevated power line or cable, the stroke must be canceled and replayed, without penalty (see Rule 20-5). If the ball is not immediately recoverable, another ball may be substituted.

**Dropping Zones**

#8: As an additional option to Rule 26-1, a player may use the drop zone located 100 yards from green for a ball that enters the water hazard. **Ignore all other drop zones.**

**Integral Parts of Course**

Stone walls and bridges located within water hazards are integral parts of the course (no free relief).

**12<sup>th</sup> Hole and 15<sup>th</sup> Hole Water Hazard**

While playing the 15<sup>th</sup> hole, the water hazard located in front of the 12<sup>th</sup> tee may be played as a lateral water hazard.

**Fairway Dead Spots**

No free relief from dead spots in fairways, unless area is marked with white paint.

**Nursery Putting Green on Hole #16**

The nursery putting green right of hole #16 is a wrong putting green and relief must be taken without penalty for a ball that comes to rest on the putting green (Rule 25-3)

**Pace of Play**

Each group is expected to keep pace with the group ahead. Groups that are out of position may be timed without warning. The timing procedure is described on the back of this sheet.

**Shelters and Bathrooms**

Shelters and bathrooms are located between #4 tee / #5 green and #12 tee / #15 fairway.

**Qualifiers**

The low 2 scorers will advance to the AJGA Rolex Girls' Junior Championship at CC of North Carolina in Pinehurst, NC on June 8-12, 2015. A tie for the last spot(s) will be broken on the course beginning on hole TBD during play. All successful qualifiers must be a current member or join the AJGA and are required to pay the Rolex Girls' Championship tournament entry fee.

**Rules Committee**

Brandon Turner Vicki DiSantis Jason Cox

CGA: Junior SP

# Notice to Players

*2012-2015 USGA Rules of Golf and the local rules on both sides of this sheet govern play at this CGA championship.*

*Disregard local rules printed on the club score card.*

**CADDIE POLICY:** Caddie are not allowed.

**TIME OF STARTING:** A player is responsible for being at the assigned tee promptly to begin play on time. A player should arrive at the assigned tee prior to the player's starting time in order to receive all information. Players will not be called to assigned tees. Official starting clocks are located on the starting tees.

If a player arrives late but within five minutes after the assigned starting time, the penalty for failure to start on time is two strokes at the first hole (Rule 6-3a).

**THE ONE-BALL RULE IS NOT IN EFFECT:** Any golf ball may be used in this CGA Championship, however, the ball must appear on the USGA Conforming Ball List.

**LIST OF CONFORMING DRIVER HEADS:** Optional Condition as prescribed in Appendix I is in effect.

**RULE 3-3 - DOUBT AS TO PROCEDURE:** In stroke play only, when during play of a hole a competitor is doubtful of his rights or procedure, he may, without penalty, complete the hole with two balls. After the doubtful situation has arisen and before taking further action, the competitor must 1) announce to his marker or a fellow-competitor that he intends to play two balls and 2) which ball he wishes to count if the Rules permit. The player **MUST** report the facts of the situation to the Rules Committee before returning his score card. If he fails to do so, he is disqualified.

**EMBEDDED BALL:** "Through the green", a ball that is embedded in its own pitch-mark in the ground may be lifted, without penalty, cleaned and dropped as near as possible to where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green. *Exceptions:* 1. A player may not take relief under this Local Rule if the ball is embedded in sand in an area that is not closely mown. 2. A player may not take relief under this Local Rule if interference by anything other than the condition covered by this Local Rule makes the stroke clearly impracticable.

**WATER HAZARDS:** Water hazards are identified by yellow stakes and defined by yellow lines. Lateral water hazards are identified by red stakes, defined by red lines and include unmarked drainage ditches and other open water courses. When a lateral water hazard is defined on only one side, it is deemed to extend to infinity. When water hazards and lateral water hazards are bounded by out of bounds, the hazard margin extends to and coincides with the out of bounds line.

**GROUND UNDER REPAIR:** Defined by white lines. Fire ant hills and French drains are ground under repair. White-lined areas tying into cart paths are part of those obstructions. Sod seams (not the sod itself) are deemed to be ground under repair, and relief is available under Rule 25-1 if the ball lies in or touches a sod seam or the sod seam interferes with the area of intended swing. All seams and edges within the sodded area are considered the same seam or edge.

**TRANSPORTATION:** Players must not use automotive transportation during a stipulated round except from committee members or where allowed by the committee. A player may accept transport from a rules official if, under a rule, the player needs to return to the spot from which the last stroke was played. Transportation to a restroom is allowed.

**INTEGRAL PARTS OF COURSE:** Include cables, rods, wires or wrappings when closely attached to trees; artificial walls and pilings when located in hazards, unless otherwise denoted.

**PLAYOFF:** A hole-by-hole playoff to determine the medalist will begin at the first tee (unless indicated otherwise) when such a situation is determined. Players are responsible for making themselves available.

**TEMPORARY IMMOVABLE OBSTRUCTIONS:** Greenside fans, starting, scoring and concession tents are deemed to be temporary immovable obstructions (TIO's). See page 131 of the 2012-15 Rules of Golf for interference and relief procedure.

**CELL PHONES:** Except for emergencies, rulings, viewing tournament leaderboard or use as a distance measuring device, cell phone use during a stipulated round is prohibited. First Offense-Warning; Second Offense-Disqualification (Rule 33-7).

**STONES IN BUNKERS:** Stones in bunkers are movable obstructions.

**DISTANCE MEASURING DEVICES:** In this competition, a player may obtain distance information by using a device that measures distance only. However, if, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

**AERATION HOLES:** Through the green, a ball that comes to rest in or on an aeration hole may be lifted, without penalty, cleaned and dropped, as near as possible to the spot where it lay but not nearer the hole. On the putting green, a ball that comes to rest in or on an aeration hole may be placed at the nearest spot not nearer the hole that avoids the situation.

**IMMOVABLE OBSTRUCTIONS CLOSE TO THE PUTTING GREEN (BALL IN CLOSELY MOWN AREA):** Relief from interference by an immovable obstruction may be taken under Rule 24-2. In addition, if a ball lies off the putting green **and in a closely mown area through the green** and an immovable obstruction on or within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows: The ball must be lifted and dropped at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard or on a putting green. The ball may be cleaned when lifted.

**PACE OF PLAY:** A group that is out of position will be advised of the situation and the individuals may be timed. The players will be notified that exceeding 40 seconds to play their next shot will result in a warning. A second violation will result in a one stroke penalty. A third violation will result in a two stroke penalty followed by disqualification for a fourth violation.

A player's time to play begins when the player has had a reasonable opportunity to reach his or her ball and when it is the player's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.

**SUSPENSION OF PLAY:** Signaled by three short consecutive air horn blasts. Players in the process of playing a hole may complete the hole. Players in between the play of two holes must stop play immediately.

**SUSPENSION OF PLAY FOR DANGEROUS SITUATION:** Signaled by one long air horn blast. All players are informed of the suspension verbally. All play must cease immediately. All practice areas are closed during a suspension of play, until the Committee has declared them open again.

**RESUMPTION OF PLAY:** Signaled by two short consecutive air horn blasts.

**SCORE CARD:** A score is deemed returned when the score is posted on the scoreboard.

**CLOSE OF COMPETITION:** The competition is deemed to have closed when the championship trophy has been presented to the winner.
